We had a great time at the SELTC convention last weekend. We had 37 students participate in 14 events. After studying the life of Moses for several months and preparing bulleting boards, puppet scripts, dramas, speeches, art work and more, the students got to showcase their efforts and talents. Braden Byrd received a scholarship to Harding University. We are so proud of all our students. We hope all 3-12th graders will "Give It Up" next year as we study the book of Luke.
