The Dunhams to Visit Meadowbrook

Kemmel and Lisa Dunham work with Health Talents International in Guatemala Central American, in a ministry centered in Medical Evangelism. This approach involves meeting the immediate medical, social, and emotional requirements of patients while initiating relationships that allow them to get to know the spiritual needs of patients and have opportunities to share the gospel message. They have been in Guatemala since 2005 ministering to the Kiche' speaking churches, hosting mobile medical clinics, and training local church members to serve as health promoters or lay medical and dental assistants. Meadowbrook has been assisting with their support and has a number of members who are health care professionals that travel to Guatemala annually to assist in providing medical care at the Ezell Clinic, in Chichi, or in other areas of the country. We are thrilled that Kemmel and Lisa are going to be here on October 19 to share their ministry experiences with all of us at both our Bible class and worship times. You want to be sure to be here to enjoy and be blessed by their marvelous God-ordained mission story!

New directories will be completed soon. Once finished, they will be placed in the Auditorium foyer for each Meadowbrook family to pick up.

All the king's horses and all the king's men can't put the past together again. So let's remember, don't try to saw sawdust." (Dale Carnegie)

There's no sense rehashing the same issue over and over again. Stop torturing yourself over yesterday's mistakes and bad behavior. Forgive them. Forgive yourself. And expect them to surprise you today. You're more likely to see what you're looking for, so look for the good in them and in yourself. Hal Runkel - ScreamFree Parenting
