Congregational News

“To Set Them Free” Imagine having to get up at 4am every morning of every day - no matter what the weather conditions are and no matter how you are feeling - and get in an old worn out boat with holes in the bottom and go out onto a dark and dangerous lake and be forced to fish with nets. This is the daily scenario of **children** that have been sold into slavery by their desperate parents in Ghana. We can help these children that have no way of helping themselves. Please be in prayer for these precious little souls. Our special contribution date is December 13. **UPDATE:** Touch A Life rescued **nine** more children which brings the total to **25** over the past several weeks. Praise God!
